Purchased the Emco compact 5 cnc. But there is not software to run the machine. I contacted emco and they informed me that they no longer make a software for the compact. I have the old software that was used when the compact was made. EMCO COMPACT 5 CNC SW PART NO. EH2021 [CNC in 12.97 MB] 8184 014 03 - Description of machine Positions of tool holder 4. Description of tool holder.)) The following provides an overview of the "Schedule of included elements of Compact5CNC. Instructional manual for the Emco Compact 5 CNC. This free training manual will help you get started on learning to use the Emco Compact 5 CNC software. There is a dedicated compact 5 cnc software software for the compact 5 cnc so you don't need to have a computer with the software installed.Q: How to do base 10 in OCaml? I'd like to do calculations in base 10 in OCaml. How do you do that? A: OCaml's integer types are not the same as in C, so
