SubLab v1.1.1 The strongest sub-bass, often exceeding the sub-bass frequencies, enough to really amplify bass lines and feel. Oct 5, 2019 I studied audio engineering in Slovenia in 2015. I graduated as a master audio engineer from Sarajevo School of Media at University of Arts in 2015. I have worked in different positions in different studios. Most of the time I was working as sound engineer and full-time instructor. I have worked on film music, sound design and mixing for web, game and ad-audio, radio and TV (FPF, DNV, Nova TV, B92, MTV, RTV Ljubljana). Worked in audio-visual recording of various sports events in Montenegro, Slovenia, Bosnia-Herzegovina, Serbia and Hungary. I have also worked in hybrid recording. Creative part of mix is always a challenge. I like making tracks that will be listen a lot. It is hard to describe, but it is a brain math. Finally audio engineer is always a creative artist. Something else. When you record something your brain tells you ba244e880a
