you can play on PC using an emulator - unfortunately I don't have it anymore. There is only a joystick, but it is much weaker. Sincerely, Arman Manshuk. Answer: Yes, joysticks are really weak. I don't see the point of buying a weak joy. I sometimes have problems with the game console, an error pops up. What to do? Hello! If you live in Minsk, then sign up for a paid training on joysticks. Anyone can become a participant. They will tell you how much it costs. Oleg, what if I don't live in Minsk? Can I sign up for your training? Answer: Yes, you can. First you will need to pay for the training, and then sign up. Of the pluses - if some trainings form some debts, we generally release all participants from payment. Otherwise, we simply would not have recruited anyone.
