Player characteristics and skills are improved to provide a closer representation of real-life play. Live and on-demand video of up to five minutes is recorded for players to watch and hone their individual skill sets. This is a first for FIFA 20 and will be available for all players on day one. Multiplayer is enhanced further, including improvements to FUT Champions, Brand New Season, Qualifying Matches and Online Leagues. Online Leagues FIFA 20 on PS4 introduced Online Leagues. For players who love playing within the FIFA community, there's an all-new FIFA Online Leagues experience. Players can now create and join multiple Online Leagues for each player account. They can be invited to play by friends, FIFA Ultimate Team or FUT Champions, or they can play Friends Leagues. FIFA Online Leagues continues to grow with features and improvements that give all FIFA fans a new way to play and compete with friends. FIFA Online Leagues Instant Match Instant Match is the simple solution to getting a quick match and allowing players to play up to five minute matches. Instant matches give players the choice to play in a competitive match or friendlies, as well as select the opponents and game settings. Instant Matches will be available for play in FUT Champions and in the Online Leagues. FUT Champions Players The FUT Champions has been expanded to provide more options and flexibility for players to compete in multiple leagues. FUT Champions now supports up to 16 leagues, players can invite friends from their respective friend list, create FUT Champions leagues with a friend, or join a league through FIFA.com. Features Brand New Season: Brand New Season challenges players to complete two European leagues and four South American leagues. Fans will compete in standard league matches as well as qualifiers and knockout tournaments to earn points and reach the FIFA Club World Cup in Morocco. Qualifying Matches: Qualifying Matches continues to provide a competitive experience for more players to earn valuable points. The teams in the Qualifying Matches are selected at random, so players can compete in a number of leagues, all with the goal of qualifying for the FIFA Club World Cup. Online Leagues: Online Leagues continues to grow, now supporting tournaments for every FIFA game. Players
